This filing is to implement the adopted rates for Test Year 2009-2010. **In accordance with D.09-06-027, this is a Tier I advice letter.**

### **Purpose and Background**

On June 18, 2009, the Commission issued D.09-06-027 in Application No. 08-07-009. Ordering Paragraph No. 3 states:

San Gabriel Valley Water Company is authorized to file, by compliance advice letter, revised tariff schedules in compliance with this order and to concurrently cancel its present schedules for such service. This filing shall be subject to approval by the Commission's Division of Water and Audits. The effective date of the revised schedule shall be July 1, 2009 and shall apply only to service rendered on or after that date.

For Fontana Water Company division customers, the effect of these adopted rates increase the typical monthly bills of the average residential customer (5/8" x 3/4" meter and 23 Ccf) by \$8.33 or 15.4% from \$54.01 to \$62.34. Overall, test year revenue requirements will be increased by \$6,993,900 or 14.42% as compared to existing rates.

No workpapers or earnings tests are associated with this advice letter. No further public notice is required because all public notices in connection with Application No. 08-07-009 have already been made in accordance with applicable law and Commission rules.

San Gabriel requests that the attached proposed tariffs be made effective for service rendered on and after July 1, 2009.

Thank you for your assistance in processing this tariff filing.
