**Purpose**

The purpose of this advice letter is to update the eligibility income guidelines for San Gabriel's low-income program, CARW (California Alternative Rates For Water). Since this only updates the eligibility income guidelines and does not request a change in rates, a

Commission resolution is not required for approval. Advice Letter No. 351 is a Tier 2 advice letter.

San Gabriel has revised its Schedules LA-CARW and FO-CARW and Forms 16A and 16B to reflect the annual increase in eligibility income to:

<b>Household Size</b>	<b>June 2007/ May 2008</b>
1 – 2	\$29,300
3	\$34,400
4	\$41,500
5	\$48,600
6	\$55,700
Each Additional	\$7,100

### **Background**

On May 5, 2005, the Commission in Ordering Paragraph No. 1 of Decision No. 05-05-015, in Application 03-04-025, adopted San Gabriel's proposed CARW program for both its Los Angeles County and Fontana Water Company divisions. San Gabriel's CARW program offers a 50% reduction on monthly service charges to customers meeting the following criteria: (1) water account is classified as residential (2) housing unit is either a single family dwelling or duplex (3) service is provided through a 1-inch or smaller meter and (4) household income requirement is met.

The household income requirement, patterned after the energy utilities' CARE (California Alternative Rates For Energy) program, is updated annually by the Commission. On May 1, 2007, the Commission's Energy Division updated the household income requirements for the forthcoming twelve months, June 1, 2007 - May 31, 2008. Accordingly, San Gabriel reflects the updated income guidelines in the appended proposed tariffs, and requests an effective date of June 1, 2007.

### **Notice**

No individuals or utilities have requested notification of filing of tariffs. Distribution of this advice letter is being made to the attached service list in accordance with General Order No. 96-A, Section III-G.
