**Purpose and Background**

The purpose of this filing is to implement rates for Test Year 2004 authorized by the Commission for the Fontana Water Company division in Decision No. 04-07-034, dated July 8, 2004 in Application No. 02-11-044 for a \$7,157,700 or 22.4% increase in overall revenues. This decision also authorized the company to amortize a \$2,720,629 balance recorded in the water production, purchased power, DHS/EPA, and water quality litigation balancing and memorandum accounts through a surcharge of \$0.1385/Ccf for a 12-month period. The total effect of these adopted increases will raise

the typical monthly bills of the typical residential customer (5/8" x 3/4" meter and 23 Ccf) by \$8.65 or 23.3% from \$37.11 to \$45.76.

San Gabriel requests processing by the Commission's Water Division so the new rates will become effective on July 13, 2004, 5 days after the date of Decision 04-07-034, as provided in Ordering Paragraph No. 1. There are no workpapers nor earnings test associated with this advice letter. No further public notice is required because all public notices in connection with Application No. 02-11-044 have already been made in accordance with applicable law and Commission rules.

Thank you for your assistance in processing this tariff filing.
