Purpose

The purpose of this advice letter is to update the income eligibility guidelines for San Gabriel's low-income ratepayer assistance program, CARW (California Alternative Rates for Water). The eligibility guidelines were modified as follows:

Household Size	From June 1, 2014 to May 31, 2015
1	\$31,460

3	\$39,580

6	\$63,940
7	\$72,060
8	\$80,180
Each Additional	\$8,120

Since this advice letter only updates the income eligibility guidelines, but does not request a change in rates, a Commission resolution is not required for approval. **This advice letter is designated as a Tier 1 advice letter, and will become effective on June 1, 2014.**

Discussion

On May 5, 2005, the Commission in Ordering Paragraph No. 1 of Decision No. 05-05-015, in Application 03-04-025, adopted San Gabriel's proposed CARW program for both its Los Angeles County and Fontana Water Company divisions. San Gabriel's CARW program offers a reduction on monthly service charges to customers meeting the following criteria: (1) customer account is classified as residential, (2) housing unit is either a single family dwelling or duplex, (3) service is provided through a 1-inch or smaller meter, and (4) household income eligibility is met.

The household income eligibility, patterned after the energy utilities' CARE (California Alternative Rates for Energy) program, is updated annually by the Commission. On April 1, 2014, the Commission's Energy Division updated the household income eligibility for the twelve month period, June 1, 2014 to May 31, 2015. Accordingly, San Gabriel submits the attached tariff sheets with the updated income eligibility guidelines in the appended proposed tariffs.

The actions requested in this advice letter are not now the subject of any formal filings with the California Public Utilities Commission, including a formal complaint, nor action in any court.

Notice

No individuals or utilities have requested notification of filing of tariffs. Distribution of this advice letter is being made to the attached service list in accordance with General Order No. 96-B.

Protest and Responses

Anyone may respond to or protest this advice letter. A response supports the filing and may contain information that proves useful to the Commission in evaluating the advice letter. A protest objects to the advice letter in whole or in part and must set forth the specific grounds on which it is based. These grounds are:

- (1) San Gabriel did not properly serve or give notice of the advice letter;
- (2) The relief requested in the advice letter would violate statute or Commission order, or is not authorized by statute or Commission order on which San Gabriel relies;
- (3) The analysis, calculations, or data in the advice letter contain material error or omissions;
- (4) The relief requested in the advice letter is pending before the Commission in a formal proceeding;
- (5) The relief requested in the advice letter requires consideration in a formal hearing, or is otherwise inappropriate for the advice letter process; or
- (6) The relief requested in the advice letter is unjust, unreasonable, or discriminatory provided that such a protest may not be made where it would require relitigating a prior order of the Commission.

A protest shall provide citations or evidence where available to allow staff to properly consider the protest.

A response or protest must be made in writing or by electronic mail and must be received by the Division of Water and Audits within 20 days of the date this advice letter is filed.
