An original and four copies of this advice letter are submitted in compliance with Ordering Paragraph No. 7 of Decision No.17-06-008 in Application 16-01-002 to implement a rate increase of \$702,698 or 1.0% for Escalation Year 2019-2020. In accordance with D.17-06-008 and Water Industry Rule 7.3.1(6) of General Order 96-B, this advice letter is designated as Tier 1, with a requested July 1, 2019 effective date.

Purpose and Background

This advice letter requests authority to implement rates for Escalation Year 2019-2020 as authorized by the Commission for the Fontana Water Company division in Decision No. 17-06-008, dated June 15, 2017 in Application No. 16-01-002. Ordering Paragraph No. 7 of Decision 17-06-008 states:

7. For escalation years 2018-2019 and 2019-2020, San Gabriel Valley Water Company shall file Tier 1 advice letters to implement escalation year rate

increases, consistent with the estimated increases shown in Appendices A and B hereto, in conformance with General Order 96-B on or before May 16, 2018 and May 16, 2019, respectively, as set forth in the Commission's Rate Case Plan (Decision 07-05-062) for Class A Water Utilities. These advice letters shall include appropriate supporting workpapers. The revised tariff schedules shall take effect no earlier than July 1, 2018 and July 1, 2019, respectively, and shall apply to service rendered on and after their effective dates. The advice letters shall be reviewed by the Commission's Water Division. The Water Division shall inform the Commission if it finds that the revised rates do not conform to the Rate Case Plan, this order, or other Commission decisions, and if so, shall reject the filing.

In accordance with Ordering Paragraph No. 7 of Decision No. 17-06-008, the revised tariff schedules shall take effect on July 1, 2019.

The present rate schedules in the Fontana Water Company division became effective on March 7, 2018, through Advice Letter 527-A to amortize the Mains Projects Memorandum Account.

Discussion

Based on Cal PA's April 2019 escalation factors for 2019 and 2020, San Gabriel requests a \$702,698 or 1.0% increase in revenue requirement for Escalation Year 2019-2020.

An earnings test is required to implement the Escalation Year 2019-2020 increase. However, the earnings test yields a pro forma rate of return of 8.94% which is greater than San Gabriel's adjusted adopted 8.24% rate of return. Therefore, San Gabriel has reduced its requested increase by \$1,526,402 in deriving the proposed rates.

The tariff schedules reflecting the proposed changes are attached hereto. San Gabriel has provided workpapers supporting the calculations of the Escalation Year revenue requirement, the earnings test, and proposed rates to the Commission's Water Division staff for their review as required by the Decision. The proposed rates will increase the typical monthly bill of the typical residential customer (5/8" x 3/4" meter and 15 Ccf) on General rates by \$0.67 or 0.9% from \$77.79 to \$78.46 and of the typical residential customer on tiered Conservation rates by \$0.65 or 0.9% from \$75.38 to \$76.03.

In accordance with the requirements of Water Industry Rule 4.1 of General Order No. 96-B, this advice letter is being sent to the parties listed on the attached distribution list. No other parties have requested notification of tariff filings related to the Fontana Water Company division. No further public notice is required because all public notices in connection with

Application No. 16-01-002 have already been mailed to the customers or published in accordance with applicable law and Commission rules.

Protest and Responses

Anyone may respond to or protest this advice letter. A response supports the filing and may contain information that proves useful to the Commission in evaluating the advice letter. A protest objects to the advice letter in whole or in part and must set forth the specific grounds on which it is based. These grounds are:

- (1) San Gabriel did not properly serve or give notice of the advice letter;
- (2) The relief requested in the advice letter would violate statute or Commission order, or is not authorized by statute or Commission order on which San Gabriel relies;
- (3) The analysis, calculations, or data in the advice letter contain material error or omissions;
- (4) The relief requested in the advice letter is pending before the Commission in a formal proceeding;
- (5) The relief requested in the advice letter requires consideration in a formal hearing, or is otherwise inappropriate for the advice letter process; or
- (6) The relief requested in the advice letter is unjust, unreasonable, or discriminatory provided that such a protest may not be made where it would require relitigating a prior order of the Commission.

A protest shall provide citations or evidence where available to allow staff to properly consider the protest.

A response or protest must be made in writing or by electronic mail and must be received by the Water Division within 20 days of the date this advice letter is filed. The address for mailing or delivering a protest is:

Tariff Unit, Water Division
California Public Utilities Commission,
505 Van Ness Avenue, San Francisco, CA 94102
water_division@cpuc.ca.gov

On the same date the response or protest is submitted to the Water Division, the respondent or protestant shall send a copy of the protest by mail to us, addressed to San Gabriel:

San Gabriel Valley Water Company
Vice President of Regulatory Affairs
11142 Garvey Avenue
El Monte, CA 91733
FAX: (626)448-5530 or
E-mail jmreiker@sgvwater.com

If you have not received a reply to your protest within 10 business days, contact me at (626) 448-6183.

Cities and counties that need approval of their Board of Supervisors or Board of Commissioners to protest should inform the Water Division, within the 20 day protest period, so that a late filed protest can be entered. The informing document should include an estimate of the date the proposed protest might be voted on.

Conclusion

San Gabriel requests processing by the Commission's Water Division so the proposed rates will become effective on July 1, 2019, as provided in Ordering Paragraph No. 7 of D.17-06-008. Thank you for your assistance in processing this advice letter.
