SAN GABRIEL VALLEY WATER COMPANY

Advice Letter No. 569

TO THE PUBLIC UTILITIES COMMISSION OF THE STATE OF CALIFORNIA

San Gabriel Valley Water Company ("San Gabriel" or "Company") hereby requests ministerial review of the following changes in tariff sheets applicable to its Fontana Water Company division:

CPUC Sheet No.	Title	Schedule No.	Cancelling CPUC Sheet No.
3156-W	General Metered Service	FO-1	3133-W

3159-W	Preliminary Statement, Paragraph H2	N/A	3139-W
3160-W	Table of Contents	N/A	3155-W

In this **power supply cost offset**, San Gabriel proposes to increase rates, effective January 1, 2022, by \$0.1221 per hundred cubic feet ("Ccf") in the Fontana Water Company division to offset increases in purchased power costs, producing additional annual revenues of \$1,910,263, or 2.2% compared to the revenue requirement adopted in Advice Letter ("AL") 564. In accordance with Water Industry Rule 7.3.1(7) and Water Industry Rule 8.4 of General Order 96-B, **this is designated as a Tier 1 advice letter**, with a requested effective date of January 1, 2022.

Purpose and Background

The current power supply costs in the Fontana Water Company division were adopted in AL 552-A. Southern California Edison ("SCE") has implemented rate increases impacting the Fontana Water Company division's cost of purchased power for pumping, the most recent of which taking effect on October 1, 2021, as summarized below:

SCE Tariff	Adopted Kilowatt Hours (kWh)	Adopted Cost/kWh	Present Cost/kWh	Cost Increase / kWh	Total Cost Increase
TOU-GS-1	37,126	\$0.160791	\$0.240315	\$0.079524	\$2,952
TOU-GS-3	1,226,187	\$0.206801	\$0.267248	\$0.060447	\$74,119
TOU-8	17,317,921	\$0.162066	\$0.218503	\$0.056437	\$977,381
TOU-PA-2	4,645,290	\$0.109506	\$0.169549	\$0.060043	\$278,920
TOU-PA-3	9,396,369	\$0.115609	\$0.175296	\$0.059687	\$560,841
TOTALS	32,622,893	\$0.142880	\$0.200944	\$0.058064	\$1,894,214

Discussion

This advice letter proposes to increase the adopted power supply costs from \$4,661,175 to \$6,555,389, and to increase the adopted revenue requirement by \$1,910,263, or 2.2%.

The proposed rates submitted with this advice letter will increase the monthly bill for the typical non-CARW residential customer in the Fontana Water Company division on conservation rate Schedule FO-1C with a $\frac{5}{8}$ x $\frac{3}{4}$ -inch meter and using 15 Ccf by \$1.83, or 2.3% from \$80.10 to \$81.93.

San Gabriel is currently awaiting various water cost assessment packages and resolutions from the Company's water wholesalers and governing agencies to determine whether a water cost offset will be necessary on January 1, 2022. Accordingly, in order to avoid implementing multiple rate changes within a short period of time, San Gabriel is requesting a January 1, 2022 effective date for this advice letter so that the increase proposed herein will coincide with any potential water cost offset the Company might file.

Service and Notice

This advice letter is filed in accordance with Standard Practice U-27-W. No customer notice is required. San Gabriel will inform its customers of the overall rate change effective January 1, 2022 in dollar and percentage terms by a bill message on the first bill on which the changes appear.

Distribution of this advice letter is being made to the attached service list in accordance with Water Industry Rule 4.1 of General Order 96-B. No other parties have requested notification of tariff filings related to the Fontana Water Company division. In accordance with Water Industry Rule 3.3 of General Order 96-B, San Gabriel will also post this advice letter to its website www.fontanawater.com.

Protest and Responses

Anyone may respond to or protest this advice letter. A response supports the filing and may contain information that proves useful to the Commission in evaluating the advice letter. A protest objects to the advice letter in whole or in part and must set forth the specific grounds on which it is based. These grounds are:

- (1) San Gabriel did not properly serve or give notice of the advice letter;
- (2) The relief requested in the advice letter would violate statute or Commission order, or is not authorized by statute or Commission order on which San Gabriel relies;
- (3) The analysis, calculations, or data in the advice letter contain material error or omissions;
- (4) The relief requested in the advice letter is pending before the Commission in a formal proceeding;
- (5) The relief requested in the advice letter requires consideration in a formal hearing, or is otherwise inappropriate for the advice letter process; or
- (6) The relief requested in the advice letter is unjust, unreasonable, or discriminatory, provided that such a protest may not be made where it would require re-litigating a prior order of the Commission.

A protest may not rely on a policy objection to an advice letter where the relief requested in the advice letter follows rules or directions established by statute or Commission order applicable to the utility. A protest shall provide citations or proofs where available to allow staff to properly consider the protest. A response or protest must be made in writing or by electronic mail and must be received by the Water Division within 20 days of the date this advice letter is filed. The address for mailing or delivering a response or protest is:

The informing document should include an estimate of the date the proposed protest might be voted on.

The advice letter process does not provide for any further responses, protests or comments, except for San Gabriel's reply, after the 20-day comment period. San Gabriel will reply to each protest and may reply to any response. Each reply must be received by the Water Division within five business days after the end of the protest period, and shall be served on the same day to the person who filed the protest or response in accordance with General Order 96-B, General Rule 7.4.3.

If you have not received a reply to your protest within ten business days, contact San Gabriel at (626) 448-6183.
