How much does AutoPay cost?

There is no charge from the utility to have your water bill paid automatically from a checking or savings account. However, your financial institution may charge a fee, and payments rejected by your financial institution will incur additional fees.

Who is eligible for AutoPay?

AutoPay is open to all residential and business customers billed by San Gabriel Valley Water Company. Your account must be in good standing and not subject to existing payment arrangements.

How do I sign up for AutoPay?
